**Commitment to Compliance**

I have received a copy of the Sun *Code of Conduct*. I understand that I have an obligation to read it and understand it, and I agree to abide by its principles. I further agree to conduct myself in an ethical, legal and responsible manner at all times.

I also agree to keep this booklet for future reference. I understand that if I have questions or concerns about its content or other company policies, I will ask for clarification from my supervisor, or a member of the human resource or compliance staff.
